

1. Literature Club

It offers opportunities to appreciate different types of literature and increase their own literary skills. The Literary Club aims at not only refining the literary skills of the students but also developing in them logic and curiosity to know more and to instill in them a confidence to speak well. The club aims to inculcate among students a flair for language and enhance their literary skills. The club objects to induce reading habit in students and encourages them to become orators and display their intellectual, independent thinking skills and imbibe a sense of confidence.

Dr. Apoorva Sharma

2. Speakout club

The aim of our club is to give the opportunity to students to give a speech or to debate, thus expressing their thoughts, ideas, and values. And club shall organize several competitions related to public speaking and debates. Our club provides the opportunity for students to choose a topic and prepare a speech. We help them to polish their speeches and overcome the fear of public speaking. Also, we provide the opportunity to give individual speeches. We provide a friendly and very supportive environment for our members to develop and engage in our public speaking activities.

Objectives

- To provide opportunity to students to give a speech or to debate, thus expressing their thoughts, ideas, and values by overcoming the fear of public speaking.
- To provide a friendly and supportive environment to express their thoughts through various Competitions and Club activities.
- To improve dialogue delivery, strengthen relationships and boost reputation.
- Make them Industry friendly and prepare them for job interviews.

Dr. Neelima Gokhroo

3. Health and Nutrition Club:

The club provides students opportunities to learn more about a career in dietetics, volunteer in the community, and educate the public about better health and nutrition. The purpose is to provide a framework for meaningful student involvement and to stimulate interest in the profession of dietetics. As a good health is the prerequisite to all activities of life the health and nutrition club works towards creating awareness about a healthy way of life.

Besides this it will help the students:

- Networking
- Increasing your knowledge of nutrition
- Community involvement
- Interaction among peers
- Develop leadership skills.
- Looks good on your resume!
- Experiences to remember forever!
- Having FUN

Mentor: Dr. Susan Sam

4. Photography Club

Photography is a wonderful hobby and has proved to be very popular among the students. This club focuses on taking and collecting fine photographic shots and participating in photographic competitions.

The aim of the club is to promote photographic interest and provide a place for anyone with an interest in photography to meet and exchange ideas and share experiences. The club organizes various lectures, demonstrations, and competitions. It is our practice to welcome everyone with an interest in photography, regardless of their experience.

Objectives of Photography Club

- Present topics for inspiration, education, motivation, and the artistry of photography.
- Provide educational workshops.

Recreation acts as a tool that helps an individual improve their personality, improve their physical stature, reduces tension and anxiety, while contributes to better creative expansion of students.

Dr. Latika Chandel

8. Student Safety Club

The Student Safety Club is created with the aim of spreading awareness and promote the importance of safety in all walks of life. The objective is to instill a sense of responsibility in the students regarding their own and their near one's safety, to bring to their knowledge importance of road, school, medical, environmental and emotional safety. The student safety club organizes several events like rallies, workshop and seminars on road safety and has been working to create awareness on traffic rules to control accidents.

Safety club is tasked with protecting the students through the efforts of fire and police departments, task forces, and environmental agencies. One of the most important responsibilities of safety club is the promotion of safe study conditions for students.

Ms. Renu Bala Sharma

9. Media Club

Media Club is a very important part of modern higher education. It gives voice to the students and provides them exposure to the media and broadcast segment. It brings students together outside of the classroom to create multimedia productions, from producing broadcasting news and films to recording music and a lot. We make enable our students for multiple placement opportunities in the field.

The core objective of the media club is to provide a forum for the students to voice forth their opinions, views, and perspectives. It aims to enhance keen observation skills, encourage critical thinking, and learn to be effective communicators.
